J.D. Taylor Construction

## **SYRACUSE UNIVERSITY NEWHOUSE III SYRACUSE, NY**

Syracuse University has embarked on an expansion plan for their campus facilities which includes expanding the nationally renowned Newhouse School of Communications. Ajay Glass was contracted to furnish and install approximately 20,000 sf of custom unitized curtainwalls and sunshades. The highlight of this project is the special laminated glass which contains custom graphics of the first amendment of the U.S. constitution pixelated into the glass. The result is a stunning new addition to the already glittering campus of the University.
